## ABOUT THIS PROSPECTUS SUPPLEMENT

This prospectus supplement and the accompanying prospectus form part of an automatic shelf registration statement on Form S-3 (Registration No. 333-281302) that we filed with the Securities and Exchange Commission, or the SEC, as a “well-known seasoned issuer” as defined in Rule 405 under the Securities Act of 1933, as amended (the “Securities Act”), using a “shelf” registration process. Under this shelf registration process, among other offerings that may occur from time to time under the registration statement, we are offering to sell our common stock using this prospectus supplement and the accompanying prospectus.

This prospectus supplement describes the terms of this offering and also adds to and updates information contained in the accompanying prospectus and the documents incorporated by reference into this prospectus supplement and the accompanying prospectus. The accompanying prospectus, including the documents incorporated by reference therein, provides more general information. Generally, when we refer to this prospectus, we are referring to this prospectus supplement and the accompanying prospectus combined. To the extent there is a conflict between the information contained in this prospectus supplement, on the one hand, and the information contained in the accompanying prospectus or in any document incorporated by reference that was filed with the SEC before the date of this prospectus supplement, on the other hand, you should rely on the information in this prospectus supplement. If any statement in one of these documents is inconsistent with a statement in another document having a later date — for example, a document incorporated by reference in this prospectus supplement or the accompanying prospectus or in any free writing prospectus that we have authorized for use in connection with this offering — the statement in the document having the later date modifies or supersedes the earlier statement. You should read this prospectus supplement and the accompanying prospectus, including the information incorporated by reference, and any free writing prospectus that we have authorized for use in connection with this offering in their entirety before making an investment decision.

We and the underwriters have not authorized anyone to provide you with information other than the information contained in, or incorporated by reference into, this prospectus supplement and the accompanying prospectus, and in any free writing prospectus that we have authorized for use in connection with this offering. Neither we nor the underwriters take any responsibility for, and can provide no assurance as to the reliability of, any other information that others may give you. This document may only be used where it is legal to offer and sell these securities. You should not assume that the information contained in this prospectus supplement, the accompanying prospectus and the documents incorporated by reference in this prospectus supplement and the accompanying prospectus is accurate as of any date other than its respective date, regardless of when this prospectus supplement and the accompanying prospectus is delivered, or when any sale of our common stock occurs. Our business, financial condition, results of operations and prospects may have changed since those dates.

This prospectus supplement includes or incorporates by reference estimates, projections and information concerning our industry, our business and data regarding the market size and growth rates of the markets in which we participate. Some data and statistical and other information are based on independent reports from third parties, as well as industry and general publications and research, surveys and studies conducted by third parties. Some data and statistical and other information are based on internal estimates and calculations that are derived from publicly available information, research we conducted, internal surveys, our management’s knowledge of our industry and their assumptions based on such information and knowledge, which we believe to be reasonable.

In each case, this information and data involves a number of assumptions and limitations. Industry publications and other reports we have obtained from independent parties may state that the data contained in these publications or other reports have been obtained in good faith or from sources considered to be reliable, but they do not guarantee the accuracy or completeness of such data. In addition, projections, assumptions and estimates of the future performance of the industry in which we operate and our future performance are necessarily subject to a high degree of uncertainty and risk due to a variety of factors, including those described in “Risk Factors” and “Cautionary Note Regarding Forward-Looking Statements.” These and other factors could cause our future performance to differ materially from the assumptions and estimates made by third parties and us.

This prospectus supplement, the accompanying prospectus, the information incorporated herein or therein by reference and any free writing prospectus that we have authorized contain or may contain references to trademarks, service marks, and trade names owned by us or other companies. Solely for convenience, trademarks, service marks, and trade names, including logos, artwork, and other visual displays, may appear without the ® or ™ symbols, but such references are not intended to indicate, in any way, that we will not assert, to the fullest extent under applicable law, our rights or the rights of the applicable licensor to these trademarks, service marks, and trade names. We do not intend our use or display of other companies' trade names, service marks, or trademarks to imply a relationship with, or endorsement or sponsorship of us by, any other companies. Other trademarks, trade names, and service marks appearing in this prospectus are the property of their respective owners.

Unless the context indicates otherwise, as used in this prospectus, the terms “us,” “our,” “Pennant,” “we,” the “Company” and similar designations refer to The Pennant Group, Inc. and its consolidated subsidiaries.

**CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This prospectus supplement, the accompanying prospectus and the documents incorporated herein and therein, may from time to time contain statements that do not directly or exclusively relate to historical facts. Such statements are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, and typically include, but are not limited to, our expected future financial position, results of operations, cash flows, financing plans, business strategy, budgets, capital expenditures, competitive positions, growth opportunities and plans and objectives of management. These statements are subject to the safe harbors created under the Securities Act and the Exchange Act. These statements are not guarantees of future performance and are subject to risks, uncertainties and assumptions that are difficult to predict. Therefore, our actual results could differ materially and adversely from those expressed in any forward-looking statements as a result of various factors. Factors that may cause actual results to differ materially from current expectations include, among other things, those listed, or incorporated by reference, in “Risk Factors” and elsewhere in this prospectus supplement, the accompanying prospectus supplement, any free writing prospectus we may authorize for use in connection with a specific offering, our most recent Annual Report on Form 10-K and in our most recent Quarterly Reports on Form 10-Q, as well as any amendments thereto reflected in subsequent filings with the SEC.

If one or more of these risks or uncertainties occur, or if our underlying assumptions prove to be incorrect, actual events or results may vary significantly from those implied or projected by the forward-looking statements. You should carefully and completely read this prospectus supplement, the accompanying prospectus supplement, the documents we have filed with the SEC that are incorporated by reference herein and therein and any free writing prospectus we may authorize for use in connection with a specific offering, with the understanding that our actual future results may be materially different from any future results expressed or implied by these forward-looking statements.

The forward-looking statements in this prospectus supplement represent our views as of the date of this prospectus supplement. We anticipate that subsequent events and developments will cause our views to change. However, while we may elect to update these forward-looking statements at some point in the future, we assume no obligation to update or revise any forward-looking statements except to the extent required by applicable law. You should, therefore, not rely on these forward-looking statements as representing our views as of any date subsequent to the date of this prospectus supplement.

### Business Overview

We are a leading provider of high-quality healthcare services to patients or residents of all ages, including the growing senior population, in the United States. Through our innovative operating model, we strive to be the provider of choice in the communities we serve.

As of June 30, 2024, we operate multiple lines of business, including home health, hospice and senior living, throughout Arizona, California, Colorado, Idaho, Montana, Nevada, Oklahoma, Oregon, Texas, Utah, Washington, Wisconsin and Wyoming. We provide home health, hospice and home care services through 117 agencies (the “Cornerstone operations”) and senior living services at 54 communities with 3,835 total units in our assisted living, independent living and memory care business (the “Pinnacle operations”). We derive revenue from a diversified blend of payors including Medicare and Medicaid programs, private pay patients and residents and managed care payors.

We believe our key differentiators are our (1) innovative operating model that focuses on empowering and developing strong local leaders, (2) disciplined growth strategy, and (3) ability to achieve quality care outcomes in cost effective settings. In our experience, healthcare is a local endeavor, largely dependent upon personal and professional relationships, community reputation and an ability to adapt to the changing needs of patients, residents, partners and communities. As our operational leaders build strong relationships with key partners in their local communities, they are empowered to make informed and critical operational decisions that produce quality care outcomes and more effectively meet the needs of our patients and residents.

We believe our home health and hospice businesses are able to achieve quality outcomes — as measured by multiple industry and value-based metrics (such as hospital readmission rates) — in cost-effective settings. According to Centers for Medicare and Medicaid Services (“CMS”) data, 13.3% of home health patients were admitted to hospital within 60 days, compared to a national median of 14.1%. We believe our senior living business is able to offer our residents a safe and tailored quality-of-life at an affordable cost, thus appealing to a broad population. With our platform of diversified service offerings, we believe that we are well-positioned to take advantage of favorable demographic shifts as well as industry trends that reward providers offering quality care in lower cost settings.

Through our strategy of completing acquisitions and capitalizing on operational improvements and expansions we have grown revenue in our Cornerstone and Pinnacle operations. With respect to acquisitions that we completed between January 1, 2021 and December 31, 2021, revenue as a result of such acquisitions in our Cornerstone and Pinnacle operations grew from approximately \$24.0 million in 2022 to approximately \$32.5 million in 2023. With respect to acquisitions that we completed between January 1, 2020 and December 31, 2020, revenue as a result of such acquisitions in our Cornerstone and Pinnacle operations grew from approximately \$42.4 million in 2021, to \$46.6 million in 2022 and to \$51.7 million in 2023. With respect to our then existing operations and acquisitions that occurred prior to December 31, 2019, revenue as a result of such acquisitions in our Cornerstone and Pinnacle operations grew from approximately \$356.6 million in 2020, to \$378.3 million in 2021, to \$397.8 million in 2022 and to \$440.0 million in 2023.

### Industry Overview

We believe that the home health, hospice and senior living industries have attractive fundamentals. In the home health industry, home health expenditures are expected to increase by approximately 95% by 2032, from approximately \$145 billion in 2023 to \$283 billion in 2032, according to the CMS. In addition, according to CMS data, home health is a lower cost post-acute care setting with an average Medicare cost

per day of \$61 for home health compared to \$1,850 for inpatient rehabilitation facilities. In the hospice industry, the number of Medicare hospice care users increased by approximately 225% from 2000 to 2021, according to CMS data. Furthermore, in the senior living industry, the demand for senior living units has increased in recent years and is expected to continue to grow through the next decade. The demand for senior living units is approximately two to three times higher than growth in inventory of senior living units, according to the National Investment Center Senior Housing Analyst Review & Outlook.

The home health, hospice and senior living industries are highly fragmented consisting of small independent operators. According to CMS data, small independent operators represented 87%, 86% and 72% of the home health, hospice and senior living industries, respectively, as of June 30, 2024. We believe that our strategy of acquiring strategic and underperforming operations in these highly fragmented markets will be instrumental to our future growth.

#### **Recent Developments**

##### ***Signature Healthcare at Home***

On July 11, 2024, we entered into an agreement to purchase the assets of certain affiliates of Signature Healthcare at Home, a provider of home health and hospice services with multiple locations in Oregon, Washington and Idaho for a combined purchase price of \$80,000,000. The purchase of the Washington and Idaho assets closed on August 1, 2024 and the purchase of the Oregon assets is anticipated to close January 1, 2025.

##### ***Amendment of Revolving Credit Facility***

On July 31, 2024, we entered into an amendment to our revolving credit facility with Truist Bank, as administrative agent, and certain banks and additional lenders that increased the existing revolving credit facility by \$100,000,000 to an aggregate principal amount of up to \$250,000,000 (the “revolving credit facility”) and extended the maturity date to July 31, 2029.

(“FINRA”) is deemed to exist. Accordingly, this offering is being made in compliance with the applicable requirements of FINRA Rule 5121. The appointment of a “qualified independent underwriter” is not necessary for this offering pursuant to FINRA Rule 5121(a)(1)(B) as a “bona fide public market,” as defined in FINRA Rule 5121, exists for our common stock. See the sections titled “Use of Proceeds” and “Underwriting (Conflicts of Interest)” for additional information.

Unless otherwise indicated, all information in this prospectus supplement assumes the underwriters do not exercise their option to purchase additional shares of common stock.

## RISK FACTORS

*Investing in our common stock involves risks. Before deciding whether to invest in our common stock, you should carefully consider the risks and uncertainties described below. You should also consider the risks, uncertainties and assumptions discussed under the heading “Risk Factors” included in our most recent Annual Report on Form 10-K, which is on file with the SEC and is incorporated herein by reference, and which may be amended, supplemented or superseded from time to time by other reports we file with the SEC in the future. The risks and uncertainties described below are not the only ones we face. Additional risks and uncertainties not presently known to us, or that we currently believe are not material, also may become important factors that affect us and impair our business operations. The occurrence of any of the events or developments discussed in the risk factors below could have a material and adverse impact on our business, results of operations, financial condition and cash flows, and in such case, our future prospects would likely be materially and adversely affected. This could cause the trading price of our common stock to decline, resulting in a loss of all or part of your investment.*

### **Risks Related to this Offering and Ownership of Our Common Stock**

***The market price of our common stock may be volatile or could decline significantly regardless of our operating performance.***

The market price of our common stock may be volatile and fluctuate or decline significantly in response to numerous factors listed in this section and those included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, many of which are beyond our control, including:

- actual or anticipated fluctuations in our business, financial condition and results of operations;
- variance in our financial performance from, or failure to otherwise meet, projections, forecasts or estimates, including expectations of securities analysts;
- our sale of our common stock or other securities in the future or the perception that such sales might occur in large quantities;
- announcements by us or our competitors of significant business developments, acquisitions or new offerings;
- changes in third-party payor reimbursement policies;
- an inability to obtain additional funding;
- lawsuits threatened or filed against us;
- general economic, political, regulatory and market conditions.

In addition, extreme price and volume fluctuations in the stock markets have affected and continue to affect many healthcare companies’ stock prices. Stock prices often fluctuate in ways unrelated or disproportionate to the companies’ operating performance. In the past, companies that have experienced volatility in the market price of their securities have been subject to securities class action litigation. We may be the target of this type of litigation in the future, which could result in substantial costs and divert our management’s attention.

***If securities or industry analysts do not continue to publish research or reports about our business, if they adversely change their recommendations regarding our shares or if our results of operations do not meet their expectations, our stock price and trading volume could decline.***

The trading market for our shares will be influenced by the research and reports that industry or securities analysts publish about us or our business. We do not have any control over these analysts. If one or more of these analysts cease coverage of us or fail to publish reports on us regularly, we could lose visibility in the financial markets, which in turn could cause our stock price or trading volume to decline. Moreover, if one or more of the analysts who cover us downgrade our stock, or if our results of operations do not meet their expectations, our stock price could decline.

***Affiliates of Citigroup Global Markets Inc., Truist Securities, Inc., Wells Fargo Securities, LLC and RBC Capital Markets, LLC, each an underwriter in this offering, will each receive at least 5% of the net proceeds of this offering and may have an interest in this offering beyond customary underwriting discounts and commissions.***

Because affiliates of Citigroup Global Markets Inc., Truist Securities, Inc., Wells Fargo Securities, LLC and RBC Capital Markets, LLC are lenders under our revolving credit facility and will each receive at least 5% of the net proceeds from this offering in connection with the repayment of amounts outstanding under our revolving credit facility, a “conflict of interest” within the meaning of FINRA Rule 5121 is deemed to exist. Accordingly, this offering is being made in compliance with the applicable requirements of FINRA Rule 5121. The appointment of a “qualified independent underwriter” is not necessary for this offering pursuant to FINRA Rule 5121(a)(1)(B) as a “bona fide public market,” as defined in FINRA Rule 5121, exists for our common stock. See the sections titled “Use of Proceeds,” and “Underwriting (Conflicts of Interest)” for additional information.

**USE OF PROCEEDS**

We expect to receive net proceeds from this offering of approximately \$102.6 million, after deducting underwriting discounts, commissions and estimated offering expenses payable by us, or approximately \$118.0 million if the underwriters exercise their option to purchase additional shares of common stock in full.

We intend to use the net proceeds from this offering for the repayment of outstanding borrowings under our revolving credit facility and any remaining amounts to be used for general corporate purposes.

As of September 27, 2024, the outstanding balance of borrowings under our revolving credit facility was approximately \$114.5 million and the weighted average interest rate under the revolving credit facility was 7.85%. Our revolving credit agreement is currently scheduled to mature on July 31, 2029. Amounts repaid under our revolving credit facility may be reborrowed.

Certain of the underwriters or their affiliates are lenders under our revolving credit facility and, in that respect, may receive a portion of the proceeds from this offering through the repayment of borrowings outstanding under our revolving credit facility. See “Underwriting (Conflicts of Interest).”

**DIVIDEND POLICY**

We have not paid any dividends on our common stock since our inception and do not anticipate paying any dividends on our common stock in the foreseeable future.

## CAPITALIZATION

The following table sets forth our cash and cash equivalents and capitalization as of June 30, 2024:

- on an actual basis; and
- on an as adjusted basis to reflect the issuance and sale of 3,500,000 shares of common stock by us in this offering (assuming no exercise of the underwriters' option), and the application of the net proceeds therefrom, after deducting underwriting discounts and commissions and estimated offering expenses payable by us.

The as adjusted information below is illustrative only and our capitalization following the completion of this offering will be adjusted based on the actual public offering price and other terms of this offering determined at the pricing of this offering. ## MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS FOR NON-U.S. HOLDERS

The following discussion describes U.S. federal income tax considerations that may be relevant to the ownership and disposition of our common stock acquired in this offering by Non-U.S. Holders (as defined below). This discussion is not a complete analysis of all potential U.S. federal income tax considerations that may be relevant to a Non-U.S. Holder's particular circumstances, and does not address any non-U.S., state or local tax considerations that may be relevant to Non-U.S. Holders, nor does it address any U.S. federal taxes (such as gift and estate taxes) other than income taxes. Special rules different from those described below may apply to certain Non-U.S. Holders that are subject to special treatment under the U.S. Internal Revenue Code of 1986, as amended, or the Code, such as banks, financial institutions, insurance companies, tax-exempt organizations, brokers, dealers and certain electing traders in securities who mark their securities positions to market for U.S. tax purposes, retirement plans, individual retirement accounts or other tax deferred accounts, certain former U.S. citizens or long-term residents, "controlled foreign corporations," "passive foreign investment companies," corporations that accumulate earnings to avoid U.S. federal income tax, corporations organized outside of the United States, any state thereof or the District of Columbia that are treated as domestic corporations for U.S. federal tax purposes, persons that hold our common stock as part of a "straddle," "hedge," "conversion transaction," "synthetic security" or integrated investment or other risk reduction strategy, persons subject to the alternative minimum tax, the federal Medicare contribution tax on net investment income or the special tax accounting rules under Section 451(b) of the Code, persons who own or have owned, directly, indirectly and constructively, more than five percent of our common stock at any time within the shorter of (i) the five-year period ending on the date of a disposition of our common stock and (ii) the person's holding period for our common stock, "qualified foreign pension funds" as defined in Section 897(l)(2) of the Code and entities all of the interests of which are held by qualified foreign pension funds, partnerships and other pass-through entities or arrangements, and investors in such pass-through entities or arrangements. Such Non-U.S. Holders are urged to consult their tax advisors to determine the U.S. federal, state, local and other tax consequences that may be relevant to them. In addition, this discussion assumes that the Non-U.S. Holder holds our common stock as a "capital asset" within the meaning of Section 1221 of the Code (generally, property held for investment). Furthermore, the discussion below is based upon the provisions of the Code, Treasury regulations promulgated thereunder, rulings and judicial decisions, in each case as of the date hereof, and such authorities may be repealed, revoked or modified, including retroactively, which may result in U.S. federal income tax considerations different from those discussed below.

Persons considering the purchase of our common stock pursuant to this offering should consult their tax advisors concerning the U.S. federal income, estate, gift and other tax consequences of acquiring, owning and disposing of our common stock in light of their particular situations as well as any consequences arising under the laws of any other taxing jurisdiction, including any state, local or non-U.S. tax consequences.

For the purposes of this discussion, a "Non-U.S. Holder" is, for U.S. federal income tax purposes, a beneficial owner of our common stock that is neither a U.S. Person nor a partnership (or other entity or arrangement classified as a partnership for U.S. federal income tax purposes, regardless of its jurisdiction of organization or formation). A "U.S. Person" means any person that is, for U.S. federal income tax purposes, any of the following:

- an individual who is a citizen or resident of the United States;
- a corporation created or organized in or under the laws of the United States, any state thereof, or the District of Columbia;
- an estate, the income of which is subject to U.S. federal income tax regardless of its source; or
- a trust (1) if a court within the United States is able to exercise primary supervision over its administration and one or more U.S. persons have the authority to control all of its substantial decisions, or (2) that has in effect a valid election to be treated as a United States person for U.S. federal income tax purposes.

In the case of a beneficial owner of our common stock that is a partnership (including any entity or arrangement classified as a partnership for U.S. federal income tax purposes), the tax treatment of a person treated as a partner in such partnership for U.S. federal income tax purposes generally will depend on the

status of the partner, the activities of the partner and the partnership and certain determinations made at the partner level. A person treated as a partner in a partnership or who holds our common stock through another pass-through entity should consult their tax advisor regarding the particular tax consequences applicable to them.

#### **Distributions on Our Common Stock**

Distributions, if any, made on our common stock to a Non-U.S. Holder to the extent made out of our current or accumulated earnings and profits (as determined under U.S. federal income tax principles) generally will constitute dividends for U.S. tax purposes, and, subject to the discussion below regarding effectively connected income and FATCA, will generally be subject to withholding tax at a 30% rate or such lower rate as may be specified by an applicable income tax treaty. To obtain a reduced rate of withholding under an income tax treaty, a Non-U.S. Holder generally will be required to provide us or the withholding agent with respect to our dividends with a properly executed IRS Form W-8BEN or IRS Form W-8BEN-E, or other appropriate form, certifying the Non-U.S. Holder's entitlement to benefits under that treaty. This certification must be provided prior to the payment of dividends and may need to be updated in certain circumstances. If a Non-U.S. Holder holds our common stock through a financial institution or other agent acting on its behalf, it may be required to provide appropriate documentation to such agent, which may then be required to provide certification to the withholding agent, either directly or through other intermediaries. If the Non-U.S. Holder is eligible for a reduced rate of U.S. federal withholding tax under an income tax treaty and does not timely file the required certification, it may be able to obtain a refund or credit of any excess amounts withheld by timely filing an appropriate claim for a refund with the IRS. Non-U.S. Holders should consult their tax advisors regarding their entitlement to benefits under any applicable income tax treaty.

We and other withholding agents are not required to withhold tax on dividends paid to a Non-U.S. Holder that are effectively connected with the Non-U.S. Holder's conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, are attributable to a permanent establishment or fixed base that it maintains in the United States) if a properly executed IRS Form W-8ECI, certifying that the dividends are so effectively connected, is furnished prior to the payment of such dividends. In general, such effectively connected dividends will be subject to U.S. federal income tax on a net income basis at the regular rates applicable to U.S. Persons. A corporate Non-U.S. Holder receiving effectively connected dividends may also be subject to an additional "branch profits tax," which is imposed, under certain circumstances, at a rate of 30% (or such lower rate as may be specified by an applicable income tax treaty) on the corporate Non-U.S. Holder's effectively connected earnings and profits, subject to certain adjustments. Non-U.S. Holders should consult their tax advisors regarding any applicable income tax treaties that may provide for different rules.

To the extent distributions on our common stock, if any, exceed our current and accumulated earnings and profits, they will first reduce the Non-U.S. Holder's adjusted basis in our common stock, but not below zero, and then will be treated as capital gain to the extent of any excess of the amount of the distributions over the Non-U.S. Holder's adjusted basis in our common stock, and taxed in the same manner as gain realized from a sale or other disposition of common stock as described in the next section.

#### **Sale or Other Disposition of Our Common Stock**

A Non-U.S. Holder generally will not be subject to U.S. federal income tax or withholding tax with respect to gain realized on a sale, exchange or other disposition of our common stock unless (a) the gain is effectively connected with the conduct of a trade or business by the Non-U.S. Holder in the United States (and, if required by an applicable income tax treaty, is attributable to a permanent establishment or fixed base that such Non-U.S. Holder maintains in the United States), (b) the Non-U.S. Holder is a nonresident alien individual and is present in the United States for 183 or more days in the taxable year of the disposition and certain other conditions are met or (c) we are or have been a "United States real property holding corporation," or USRPHC, within the meaning of Section 897(c)(2) of the Code at any time within the shorter of the five-year period preceding such disposition and such Non-U.S. Holder's holding period for our common stock and certain other conditions are satisfied. In general, we will be a USRPHC if the aggregate fair market value of our "United States real property interests", equals or exceeds fifty percent (50%) of

the combined fair market value of our worldwide real property interests and our other assets used or held for use in a trade or business (all as determined for U.S. federal income tax purposes). Although there can be no assurances in this regard, we believe that we have not been and are not, and do not anticipate becoming, a USRPHC.

Gain described in (a) above will generally be subject to U.S. federal income tax on a net income basis in the same manner as if the Non-U.S. Holder were a U.S. Person, and corporate Non-U.S. Holders may, in addition, be subject to a branch profits tax at a 30% rate, or such lower rate as may be specified by an applicable income tax treaty, on such effectively connected gain. A Non-U.S. Holder described in (b) above will be subject to U.S. federal income tax at a flat 30% rate, or such lower rate as may be specified by an applicable income tax treaty, on gain realized upon the sale or other taxable disposition, which gain may be offset by certain U.S.-source capital losses of the Non-U.S. Holder, provided certain requirements are satisfied. Non-U.S. Holders should consult their tax advisors regarding the foregoing rules.

#### **Foreign Account Tax Compliance Act**

We are required to withhold at a rate of 30% on dividends in respect of our common stock held by or through certain foreign financial institutions (including investment funds), unless such institution enters into an agreement with the United States Department of the Treasury to report, on an annual basis, information with respect to interests in, and accounts maintained by, the institution (to the extent such interests or accounts are held by certain U.S. persons and by certain non-U.S. entities that are wholly or partially owned by U.S. persons) and to withhold on certain payments. Accordingly, the entity through which our common stock are held will affect the determination of whether such withholding is required. Similarly, dividends in respect of our common stock held by an investor that is a non-financial non-U.S. entity that does not qualify under certain exemptions will be subject to withholding at a rate of 30%, unless such entity either (i) certifies that such entity does not have any “substantial United States owners” or (ii) provides certain information regarding the entity’s “substantial United States owners,” which we or the applicable withholding agent will in turn provide to the IRS. An intergovernmental agreement between the United States and an applicable foreign country, or future Treasury regulations or other guidance, may modify the foregoing requirements. We will not pay any additional amounts to stockholders in respect of any amounts withheld. Non-U.S. Holders are encouraged to consult their tax advisors regarding the possible implications of the legislation on their investment in our common stock.

EACH PROSPECTIVE INVESTOR SHOULD CONSULT ITS TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF PURCHASING, HOLDING AND DISPOSING OF OUR COMMON STOCK, INCLUDING THE CONSEQUENCES OF ANY CHANGES IN APPLICABLE LAW SUBSEQUENT TO THE DATE HEREOF.

**UNDERWRITING (CONFLICTS OF INTEREST)**

Citigroup Global Markets Inc. and Truist Securities, Inc. are acting as lead book-running managers of this offering and as representatives of the underwriters named below. Subject to the terms and conditions stated in the underwriting agreement dated the date of this prospectus supplement, each underwriter named below has severally agreed to purchase, and we have agreed to sell to that underwriter, the number of shares of our common stock set forth opposite the underwriter's name.

Underwriter	Number of Shares
Citigroup Global Markets Inc.	1,306,667
Truist Securities, Inc.	933,333
Wells Fargo Securities, LLC	472,500
RBC Capital Markets, LLC	472,500
Oppenheimer & Co. Inc.	157,500
Stephens Inc.	157,500
Total	<u>3,500,000</u>

The underwriting agreement provides that the obligations of the underwriters to purchase the shares of our common stock included in this offering are subject to approval of legal matters by counsel and to other conditions. The underwriters are obligated to purchase all of the shares of our common stock (other than those covered by the option to purchase additional shares described below) if they purchase any of the shares.

Shares of our common stock sold by the underwriters to the public will initially be offered at the public offering price set forth on the cover of this prospectus supplement. Any shares of our common stock sold by the underwriters to securities dealers may be sold at a discount from the initial public offering price not to exceed \$0.93 per share. After the public offering of the shares of our common stock, if all of the shares of our common stock are not sold at the public offering price, the underwriters may change the offering price and the other selling terms.

If the underwriters sell more shares of our common stock than the total number set forth in the table above, we have granted to the underwriters an option, exercisable for 30 days from the date of this prospectus supplement, to purchase up to 525,000 additional shares of our common stock at the public offering price less the underwriting discounts and commissions. To the extent the option is exercised, each underwriter must purchase a number of additional shares of our common stock approximately proportionate to that underwriter's initial purchase commitment set forth in the table above. Any shares of our common stock issued or sold under the option will be issued and sold on the same terms and conditions as the other shares of our common stock that are the subject of this offering.

We, our officers and directors and affiliates thereof have agreed, subject to certain exceptions, that, for a period of 90 days from the date of this prospectus supplement, we and they will not, without the prior written consent of Citigroup Global Markets Inc. and Truist Securities, Inc., as representatives of the underwriters in this offering, offer, sell, contract to sell, pledge or otherwise dispose of, including the filing of a registration statement in respect of, or hedge any shares of our common stock or any securities convertible into or exchangeable for our common stock. Citigroup Global Markets Inc. and Truist Securities, Inc. in their sole discretion may release any of the securities subject to these lock-up agreements at any time without notice.

Our common stock is listed on The Nasdaq Global Select Market under the symbol "PNTG."

The following table shows the per share and total public offering price, underwriting discounts and commissions that we are to pay to the underwriters and proceeds to us before expenses, in connection with this offering. These amounts are shown assuming both no exercise and full exercise of the underwriters' option to purchase additional shares.

	Per share	Total	
		No exercise	Full exercise
Public offering price	\$31.00	\$108,500,000	\$124,775,000
Underwriting discounts and commissions paid by us	\$ 1.55	\$ 5,425,000	\$ 6,238,750
Proceeds to us, before expenses	\$29.45	\$103,075,000	\$118,536,250

We estimate that our portion of the total expenses of this offering will be \$500,000. We have also agreed to reimburse the underwriters for certain of their expenses in an amount up to \$35,000.

In connection with this offering, the underwriters may purchase and sell shares of our common stock in the open market. Purchases and sales in the open market may include short sales, purchases to cover short positions, which may include purchases pursuant to the underwriters' option to purchase additional shares, and stabilizing purchases.

- Short sales involve secondary market sales by the underwriters of a greater number of shares of our common stock than they are required to purchase in this offering.
  - "Covered" short sales are sales of shares of our common stock in an amount up to the number of shares of our common stock represented by the underwriters' option to purchase additional shares.
  - "Naked" short sales are sales of shares of our common stock in an amount in excess of the number of shares of our common stock represented by the underwriters' option to purchase additional shares.
- Covering transactions involve purchases of shares either pursuant to the underwriters' option to purchase additional shares or in the open market.
  - To close a naked short position, the underwriters must purchase shares of our common stock in the open market. A naked short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of the shares of our common stock in the open market after pricing that could adversely affect investors who purchase in this offering.
  - To close a covered short position, the underwriters must purchase shares of our common stock in the open market or exercise their option to purchase additional shares. In determining the source of shares of our common stock to close the covered short position, the underwriters will consider, among other things, the price of shares of our common stock available for purchase in the open market as compared to the price at which they may purchase shares of our common stock through their option to purchase additional shares.
- Stabilizing transactions involve bids to purchase shares of our common stock so long as the stabilizing bids do not exceed a specified maximum.

Purchases to cover short positions and stabilizing purchases, as well as other purchases by the underwriters for their own accounts, may have the effect of preventing or retarding a decline in the market price of the shares. They may also cause the price of the shares of our common stock to be higher than the price that would otherwise exist in the open market in the absence of these transactions. The underwriters may conduct these transactions on The Nasdaq Global Select Market, in the over-the-counter market or otherwise. If the underwriters commence any of these transactions, they may discontinue them at any time.

#### **Other Relationships**

The underwriters are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage activities. The underwriters and their respective affiliates have in the past performed commercial banking, investment banking and advisory services for us from time to time for which they have received customary fees and reimbursement of expenses and may, from time to time, engage in transactions with and perform services for us in the ordinary course of their business for which they may receive customary fees and reimbursement of expenses. In the ordinary course of their various

business activities, the underwriters and their respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (which may include bank loans and/or credit default swaps) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investments and securities activities may involve securities and/or instruments of ours or our affiliates. Certain of the underwriters or their affiliates that have a lending relationship with us routinely hedge their credit exposure to us consistent with their customary risk management policies. A typical such hedging strategy would include these underwriters or their affiliates hedging such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in our securities. The underwriters and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

#### **Conflicts of Interest**

Because affiliates of Citigroup Global Markets Inc., Truist Securities, Inc., Wells Fargo Securities, LLC and RBC Capital Markets, LLC are lenders under our revolving credit facility and will each receive at least 5% of the net proceeds from this offering in connection with the repayment of amounts outstanding under our Revolving Credit Facility, a “conflict of interest” within the meaning of FINRA Rule 5121 is deemed to exist. Therefore, this offering is being made in compliance with the applicable requirements of FINRA Rule 5121. The appointment of a “qualified independent underwriter” is not necessary for this offering pursuant to FINRA Rule 5121(a)(1)(B) as a “bona fide public market,” as defined in FINRA Rule 5121, exists for our common stock. In accordance with FINRA Rule 5121, Citigroup Global Markets Inc., Truist Securities, Inc., Wells Fargo Securities, LLC and RBC Capital Markets, LLC will not confirm any sales to any account over which they exercise discretionary authority without the specific written approval of the transaction from the account holder. See the sections titled “Use of Proceeds” for additional information.

We have agreed to indemnify the underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the underwriters may be required to make because of any of those liabilities.

## THE COMPANY

### Overview

We are a leading provider of high-quality healthcare services to patients or residents of all ages, including the growing senior population, in the United States. Through our innovative operating model, we strive to be the provider of choice in the communities we serve.

As of June 30, 2024, we operate multiple lines of business, including home health, hospice and senior living, throughout Arizona, California, Colorado, Idaho, Montana, Nevada, Oklahoma, Oregon, Texas, Utah, Washington, Wisconsin and Wyoming. We provide home health, hospice and home care services through 117 agencies and senior living services at 54 communities with 3,835 total units in our assisted living, independent living and memory care business. We derive revenue from a diversified blend of payors including Medicare and Medicaid programs, private pay patients and residents and managed care payors.

We believe our key differentiators are our (1) innovative operating model that focuses on empowering and developing strong local leaders, (2) disciplined growth strategy, and (3) ability to achieve quality care outcomes in cost effective settings. In our experience, healthcare is a local endeavor, largely dependent upon personal and professional relationships, community reputation and an ability to adapt to the changing needs of patients, residents, partners and communities. As our operational leaders build strong relationships with key partners in their local communities, they are empowered to make informed and critical operational decisions that produce quality care outcomes and more effectively meet the needs of our patients and residents.

We believe our home health and hospice businesses are able to achieve quality outcomes — as measured by multiple industry and value-based metrics (such as hospital readmission rates) — in cost-effective settings. We believe our senior living business is able to offer our residents a safe and tailored quality-of-life at an affordable cost, thus appealing to a broad population. With our platform of diversified service offerings, we believe that we are well-positioned to take advantage of favorable demographic shifts as well as industry trends that reward providers offering quality care in lower cost settings.

### Corporate Information

We were incorporated as a Delaware corporation on January 24, 2019, for the purpose of holding the home health and hospice agencies and substantially all of the senior living businesses of The Ensign Group, Inc. (“Ensign”), which was formed in 1999 with the goal of establishing a new level of quality care within the skilled nursing industry. On October 1, 2019, Ensign completed the separation of Pennant. The address of our headquarters is 1675 East Riverside Drive, Suite 150, Eagle, Idaho 83616, and our telephone number is (208) 506-6100. Our corporate website is located at [www.pennantgroup.com](http://www.pennantgroup.com). Additionally, our filings with the SEC are posted on our website at [www.pennantgroup.com](http://www.pennantgroup.com). The public can also obtain copies of these filings by accessing the SEC’s website at [www.sec.gov](http://www.sec.gov). We have included our website in this prospectus solely as an inactive textual reference. The information found on or accessible through our website is not part of this or any other report we file with or furnish to the SEC.

**RISK FACTORS**

Investment in any securities offered pursuant to this prospectus and the applicable prospectus supplement involves significant risks. Before you invest in our securities, you should carefully consider the risk factors included in our most recent Annual Report on Form 10-K, in our Quarterly Reports on Form 10-Q and in our Current Reports on Form 8-K that are incorporated herein by reference and those that may be included in the applicable prospectus supplement, together with all of the other information included in this prospectus, any prospectus supplement and the documents we incorporate by reference. The risks and uncertainties we have described are not the only ones we face. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also affect our business, financial condition, and results of operations. The occurrence of any of these risks might cause you to lose all or part of your investment in the offered securities.

**SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This prospectus, the applicable prospectus supplement and any free writing prospectus, and the documents incorporated herein and therein, may from time to time contain statements that do not directly or exclusively relate to historical facts. Such statements are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, and typically include, but are not limited to, our expected future financial position, results of operations, cash flows, financing plans, business strategy, budgets, capital expenditures, competitive positions, growth opportunities and plans and objectives of management. Forward-looking statements can often be identified by words such as “anticipate,” “expect,” “intend,” “plan,” “predict,” “believe,” “seek,” “estimate,” “may,” “will,” “should,” “would,” “could,” “potential,” “continue,” “ongoing,” similar expressions, and variations or negatives of these words. These statements are subject to the safe harbors created under the Securities Act and the Exchange Act. These statements are not guarantees of future performance and are subject to risks, uncertainties and assumptions that are difficult to predict. Therefore, our actual results could differ materially and adversely from those expressed in any forward-looking statements as a result of various factors, some of which are listed in Part I, Item 1A., Risk Factors, of this Annual Report on Form 10-K for the year ended December 31, 2023. Accordingly, you should not rely upon forward-looking statements as predictions of future events. These forward-looking statements represent our estimates and assumptions only as of the dates of this prospectus and the documents incorporated by reference herein and therein, and any free writing prospectus, as applicable, regardless of the time of delivery of this prospectus or any sale of our securities and, except as required by law, we undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise after the date of this prospectus.

**USE OF PROCEEDS**

Unless we specify otherwise in any applicable prospectus supplement or in any related free writing prospectus that we may authorize to be provided to you in connection with a specific offering, we currently intend to use the net proceeds from sales of securities by us for general corporate purposes. As of the date of this prospectus, we cannot specify with certainty all of the particular uses of the net proceeds from the sale of securities under this prospectus.

## DESCRIPTION OF CAPITAL STOCK

The following description summarizes certain information about our capital stock. The summary does not purport to be complete and is subject, and qualified in its entirety by reference, to our amended and restated certificate of incorporation and our second amended and restated bylaws, each of which is incorporated by reference as an exhibit to the registration statement of which this prospectus is a part, and the applicable provisions of Delaware law. See “Incorporation by Reference.”

### **Authorized Capital Stock**

Our authorized capital shares consist of 100,000,000 shares of common stock, \$0.001 par value per share, and 1,000,000 shares of preferred stock, \$0.001 par value per share.

As of August 5, 2024, 30,206,741 shares of our common stock were outstanding and no shares of our preferred stock were outstanding.

### **Common Stock**

#### ***Voting Rights***

Each share of common stock is entitled to one vote on all matters submitted to a vote of the stockholders, including the election of directors. Our common stock does not have cumulative voting rights. This means a holder of a single share of common stock cannot cast more than one vote for each position to be filled on our board of directors. It also means the holders of a majority of the shares of common stock entitled to vote in the election of directors can elect all directors standing for election and the holders of the remaining shares will not be able to elect any directors.

#### ***Dividend Rights***

Subject to the rights of holders of outstanding shares of preferred stock, if any, the holders of common stock are entitled to receive dividends, if any, as may be declared from time to time by our board of directors in its discretion out of funds legally available for the payment of dividends. Delaware law allows a corporation to pay dividends only out of surplus, as determined under the Delaware General Corporation Law (the “DGCL”).

#### ***Liquidation Rights***

Upon the liquidation, dissolution or winding up of the Company, the holders of common stock are entitled to receive ratably the net assets of the Company legally available for distribution after we have paid or provided for all of our liabilities and all of the preferential amounts to which any holders of preferred stock, if any, may be entitled.

#### ***Other Rights and Preferences***

Our common stock has no sinking fund or redemption provisions or pre-emptive, conversion or exchange rights.

### **Preferred Stock**

Our board of directors has the authority, without further action by our stockholders, to issue up to 1,000,000 shares of preferred stock in one or more series and to fix the rights, preferences, privileges and restrictions thereof. These rights, preferences and privileges could include dividend rights, conversion rights, voting rights, terms of redemption, liquidation preferences, sinking fund terms and the number of shares constituting any series or the designation of such series, any or all of which may be greater than the rights of common stock. The issuance of our preferred stock could adversely affect the voting power of holders of common stock and the likelihood that such holders will receive dividend payments and payments upon our liquidation. In addition, the issuance of preferred stock could have the effect of delaying, deferring or preventing a change in control of the Company or other corporate action.

### **Anti-Takeover Effects of Provisions of our Amended and Restated Certificate of Incorporation, our Second Amended and Restated Bylaws and Delaware Law**

Our amended and restated certificate of incorporation, our second amended and restated bylaws and Delaware law contain provisions that may impact the prospect of an acquisition of our company by means of a tender offer or a proxy contest. These provisions may discourage coercive takeover practices and inadequate takeover bids. We believe that the benefits of such increased protection give us the potential ability to negotiate with the proponent of an unsolicited proposal to acquire or restructure us and outweigh the disadvantages of discouraging those proposals because negotiation of the proposals could result in an improvement of their terms.

#### ***Election and Removal of Directors***

Our amended and restated certificate of incorporation provides for a classified board of directors consisting of three classes of directors, with each class serving staggered three-year terms and a nearly equal number of board members in each class, as determined by our board of directors. As a result, approximately one-third of our board of directors will be elected each year. Additionally, directors will be elected by a majority of the votes cast with respect to that director's election. In a contested election, directors will be elected by a plurality of the votes cast in the election of directors. The classification of directors and the plurality voting standard in contested elections will have the effect of making it more difficult for stockholders to change the composition of our board of directors. Any director or the entire board of directors may be removed at any time by the affirmative vote of the holders of at least sixty-six and two-thirds percent (66 $\frac{2}{3}$ %) of the shares then entitled to vote at an election of directors, but only for cause.

#### ***Stockholder Action by Written Consent***

Our amended and restated certificate of incorporation and second amended and restated bylaws prohibit stockholder action by written consent except when approved by our board of directors.

#### ***Stockholder Meetings***

Under our amended and restated certificate of incorporation and second amended and restated bylaws, only the chairman of our board of directors, our chief executive officer or our board of directors acting pursuant to a resolution adopted by a majority of the board of directors will be able to call special meetings of our stockholders.

#### ***Requirements for Advance Notification of Stockholder Nominations and Proposals***

Our second amended and restated bylaws establish advance notice procedures with respect to stockholder proposals and nomination of candidates for election as directors other than nominations made by or at the direction of our board of directors or a committee of our board of directors.

#### ***Amendment of Charter Provisions***

We are subject to Section 203 of the DGCL, an anti-takeover law. In general, Section 203 prohibits a publicly held Delaware corporation from engaging in a business combination with an interested stockholder for a period of three years following the date such person becomes an interested stockholder, unless the business combination or the transaction in which such person becomes an interested stockholder is approved in a prescribed manner. Generally, a "business combination" includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. Generally, an "interested stockholder" is a person that, together with affiliates and associates, owns, or within three years prior to the determination of interested stockholder status did own, 15% or more of a corporation's voting stock. The existence of this provision may have an anti-takeover effect with respect to transactions not approved in advance by our board of directors and the anti-takeover effect includes discouraging attempts that might result in a premium over the market price for the shares of our common stock.

#### ***Limitations of Liability and Indemnification Matters***

Section 145 of the DGCL provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts

paid in settlement in connection with any threatened, pending or completed actions, suit or proceeding, whether civil, criminal, administrative or investigative, in which such person is made a party by reason of the fact that the person is or was a director, officer, employee or agent of the corporation (other than an action by or in the right of the corporation — a “derivative action”), if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person’s conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification extends only to expenses (including attorneys’ fees) incurred in connection with the defense or settlement of such action, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation’s bylaws, disinterested director vote, stockholder vote, agreement or otherwise.

Our amended and restated certificate of incorporation provides that no director shall be liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation on liability is not permitted under the DGCL, as now in effect or as amended. Currently, Section 102(b)(7) of the DGCL requires that liability be imposed for the following:

- any breach of the director’s duty of loyalty to us or our stockholders;
- any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or
- any transaction from which the director derived an improper personal benefit.

Our amended and restated certificate of incorporation and second amended and restated bylaws provide that, to the fullest extent authorized or permitted by the DGCL, as now in effect or as amended, we will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that such person is or was our director or officer, or by reason of the fact that our director or officer is or was serving, at our request, as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by us. We will indemnify such persons against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if such person acted in good faith and in a manner reasonably believed to be in or not opposed to our best interests and, with respect to any criminal proceeding, had no reason to believe such person’s conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification extends only to expenses (including attorneys’ fees) incurred in connection with the defense or settlement of such actions, and court approval is required before there can be any indemnification where the person seeking indemnification has been found liable to us. Any amendment of this provision will not reduce our indemnification obligations relating to actions taken before an amendment.

The limitation of liability and indemnification provisions in our amended and restated certificate of incorporation and second amended and restated bylaws may discourage stockholders from bringing a lawsuit against our directors and officers for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and our stockholders. Further, a stockholder’s investment may be adversely affected to the extent that we pay the costs of settlement and damage.

#### **Choice of Forum**

Our amended and restated certificate of incorporation provides that, unless we consent in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall, to the fullest extent permitted by law, be the sole and exclusive forum for any: (1) derivative action or proceeding brought on behalf of our company; (2) action asserting a claim of breach of a fiduciary duty owed by any director, officer, employee or agent of our company to our company or our stockholders, or any claim for aiding and

abetting any such alleged breach; (3) action asserting a claim against our company or any director or officer of our company arising pursuant to any provision of the DGCL or our amended and restated certificate of incorporation or our second amended and restated bylaws; or (4) action asserting a claim against us or any director or officer of our company governed by the internal affairs doctrine except for, as to each of (1) through (4) above, any claim (A) as to which the Court of Chancery determines that there is an indispensable party not subject to the jurisdiction of the Court of Chancery (and the indispensable party does not consent to the personal jurisdiction of the Court of Chancery within ten days following such determination), (B) which is vested in the exclusive jurisdiction of a court or forum other than the Court of Chancery, or (C) arising under the federal securities laws, including the Securities Act as to which the Court of Chancery and the federal district court for the District of Delaware shall concurrently be the sole and exclusive forums. Notwithstanding the foregoing, the provisions of this paragraph will not apply to suits brought to enforce any liability or duty created by the Exchange Act or any other claim for which the federal district courts of the United States of America shall be the sole and exclusive forum.

## DESCRIPTION OF DEBT SECURITIES

The following description summarizes certain terms and conditions of the debt securities that we may offer and sell pursuant to this prospectus. When we offer to sell a particular series of debt securities, we will describe the specific terms and conditions of the series in a prospectus supplement to this prospectus. We will also indicate in the applicable prospectus supplement whether the general terms and conditions described in this prospectus apply to the series. The terms and conditions of the series may be different in one or more respects from the terms and conditions described below. If so, those differences will be described in the applicable prospectus supplement. We urge you to read the applicable prospectus supplement and any related free writing prospectus, as well as the indenture, which may be amended or supplemented from time to time, that contains the terms of the debt securities.

The following summary of provisions of the indenture does not purport to be complete and is subject, and qualified in its entirety by reference, to the complete text of the indenture, including, but not limited to, definitions therein of certain terms. This summary may not contain all of the information that you may find useful. The terms and conditions of the debt securities of each series will be set forth in those debt securities and in the indenture and in the applicable prospectus supplement.

The form of indenture has been filed as an exhibit to the registration statement of which this prospectus forms a part. A form of each debt security, reflecting the specific terms and provisions of that series of debt securities, will be filed with the SEC in connection with each offering and will be incorporated by reference in the registration statement of which this prospectus forms a part.

### General

We may offer the debt securities from time to time in as many distinct series as we may determine. The indenture does not limit the amount of debt securities that we may issue thereunder. We may, without the consent of the holders of the debt securities of any series, issue additional debt securities ranking equally with, and otherwise similar in all respects to, the debt securities of the series (except for the public offering price and the issue date) so that those additional debt securities will be consolidated and form a single series with the debt securities of the series previously offered and sold.

The debt securities of each series will be issued in fully registered form without interest coupons. We currently anticipate that the debt securities of each series offered and sold pursuant to this prospectus will be issued as global debt securities as described under “Global Debt Securities” and will trade in book-entry form only.

Debt securities denominated in U.S. dollars will be issued in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof, unless otherwise specified in the applicable prospectus supplement. If the debt securities of a series are denominated in a foreign or composite currency, the applicable prospectus supplement will specify the denomination or denominations in which those debt securities will be issued.

Unless otherwise specified in the applicable prospectus supplement, we will repay the debt securities of each series at 100% of their principal amount, together with any premium and accrued and unpaid interest thereon at maturity, except if those debt securities have been previously redeemed or purchased and cancelled.

Unless otherwise specified in the applicable prospectus supplement, the debt securities of each series will not be listed on any securities exchange.

### Provisions of Indenture

A prospectus supplement, the indenture, and a supplemental indenture or authorizing resolution of our board of directors (including any related officer’s certificate or Company order), if any, relating to any series of debt securities being offered will include specific terms relating to the offering. These terms will include some or all of the following:

- the form and title of the debt securities;
- the aggregate principal amount of the debt securities and any limit on the aggregate principal amount, provided, however, that such amount may from time to time be increased by a resolution of our board of directors;

- the price or prices at which the debt securities will be sold;
- the person to whom any interest on a debt security of the series will be payable, if other than the person in whose name that debt security is registered;

- the rate or rates (fixed or variable, or combination thereof) at which the debt securities shall bear interest, if any, or the method of determining such rate or rates;
- the date or dates on which any such interest shall be payable, the date or dates on which payment of any such interest shall commence and the record dates, if any, for such payment date or dates, or the method of determining such date or dates, and the basis upon which interest shall be calculated if other than that of a 360-day year of twelve 30-day months, the right, if any, to extend or defer interest payments and the duration of such extension or deferral;
- any optional or mandatory redemption or repayment option, including any sinking fund, amortization or analogous provisions;
- if other than a minimum denomination equal to \$2,000 or an integral multiple of \$1,000 in excess thereof, the denominations in which any debt securities of the series will be issuable;
- any special tax implications of the debt securities, including provisions for original issue discount securities, if offered;
- any provisions granting special rights to holders when a specified event occurs;
- the percentage of the principal amount at which the debt securities will be issued and any payments due if the maturity of the debt securities is accelerated;
- any Events of Default or covenants with respect to the debt securities that differ from, or are in addition to, those set forth in the indenture;
- if other than U.S. dollars, the currency or currencies for which the debt securities will be issued or in which the principal thereof, any premium thereon and any interest thereon will be payable;
- provisions regarding the convertibility or exchangeability of the debt securities;
- provisions pertaining to the issuance of debt securities in the form of global debt securities, as described below;
- provisions relating to the satisfaction and discharge of the indenture;
- the form of and conditions to issuance of debt securities issuable in definitive form, other than as described below;
- if other than the trustee, the identity of any other trustee, the registrar for the debt securities and any paying agent;
- whether the debt securities of the series will be guaranteed by any persons and, if so, the identity of such persons, the terms and conditions upon which such debt securities will be guaranteed and, if applicable, the terms and conditions upon which such guarantees may be subordinated to other indebtedness of the respective guarantors;
- whether the debt securities of the series will be secured by any collateral and, if so, the terms and conditions upon which such debt securities will be secured and, if applicable, upon which such liens may be subordinated to other liens securing other indebtedness of us or of any guarantor;
- the exchanges, if any, on which the debt securities may be listed;
- the terms of any right to convert or exchange debt securities of such series into any other securities or property of ours or of any other corporation or person, and the additions or changes, if any, to the indenture with respect to the debt securities of such series to permit or facilitate such conversion or exchange; and
- any other terms not prohibited by the provisions of the indenture.

## Global Debt Securities

Certain series of the debt securities may be issued as permanent global debt securities to be deposited with a depository with respect to that series. Unless otherwise indicated in the applicable prospectus supplement, the following is a summary of the depository arrangements applicable to debt securities issued in permanent global form and for which The Depository Trust Company (“DTC”), acts as depository.

Each global debt security will be deposited with, or on behalf of, DTC, as depository, or its nominee and registered in the name of a nominee of DTC. Except under the limited circumstances described below, global debt securities are not exchangeable for definitive certificated debt securities.

Ownership of beneficial interests in a global debt security is limited to institutions that have accounts with DTC or its nominee, or participants, or persons that may hold interests through participants. In addition, ownership of beneficial interests by participants in a global debt security will be evidenced only by, and the transfer of that ownership interest will be effected only through, records maintained by DTC or its nominee for a global debt security. Ownership of beneficial interests in a global debt security by persons that hold through participants will be evidenced only by, and the transfer of that ownership interest within that participant will be effected only through, records maintained by that participant. DTC has no knowledge of the actual beneficial owners of the debt securities. Beneficial owners will not receive written confirmation from DTC of their purchase, but beneficial owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the participants through which the beneficial owners entered the transaction. The laws of some jurisdictions require that certain purchasers of securities take physical delivery of such securities in definitive form. Such laws may impair the ability to transfer beneficial interests in a global debt security.

Payments on debt securities represented by a global debt security registered in the name of or held by DTC or its nominee will be made to DTC or its nominee, as the case may be, as the registered owner and holder of the global debt security representing the debt securities. We expect that upon receipt of any payments with respect to a global debt security, DTC will immediately credit accounts of participants on its book- entry registration and transfer system with payments in amounts proportionate to their respective beneficial interests in the principal amount of that global debt security as shown in the records of DTC. Payments by participants to owners of beneficial interests in a global debt security held through those participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the sole responsibility of those participants, subject to any statutory or regulatory requirements that may be in effect from time to time.

Neither we, any trustee nor any of our respective agents will be responsible for any aspect of the records of DTC, any nominee or any participant relating to, or payments made on account of, beneficial interests in a permanent global debt security or for maintaining, supervising or reviewing any of the records of DTC, any nominee or any participant relating to such beneficial interests.

A global debt security is exchangeable for definitive debt securities registered in the name of, and a transfer of a global debt security may be registered to, any person other than DTC or its nominee, only if:

- DTC notifies us that it is unwilling or unable to continue as depository for that global debt security or at any time DTC ceases to be registered under the Exchange Act, and a successor depository is not appointed by us within 90 days after our receipt of such notice;
- there shall have occurred and be continuing an event of default under the debt securities and the registrar shall have received a request from the depository to issue certificated securities;
- we determine in our sole discretion that the global debt security will be exchangeable for definitive debt securities in registered form; or
- as may be provided in any applicable prospectus supplement.

Any global debt security that is exchangeable pursuant to the preceding sentence will be exchangeable in whole for definitive debt securities in registered form, of like tenor and of an equal aggregate principal amount as the global debt security. The definitive debt securities will be registered by the registrar in the name

or names instructed by DTC. We expect that these instructions may be based on directions received by DTC from its participants with respect to ownership of beneficial interests in the global debt security.

Except as provided above, owners of the beneficial interests in a global debt security will not be entitled to receive physical delivery of debt securities in definitive form and will not be considered the holders of debt securities for any purpose under the indenture. No global debt security will be exchangeable except for another global debt security of like denomination and tenor to be registered in the name of DTC or its nominee. Accordingly, each person owning a beneficial interest in a global debt security must rely on the procedures of DTC and, if that person is not a participant, on the procedures of the participant through which that person owns its interest, to exercise any rights of a holder under the global debt security or the indenture.

We understand that, under existing industry practices, in the event that we request any action of holders, or an owner of a beneficial interest in a global debt security desires to give or take any action that a holder is entitled to give or take under the debt securities or the indenture, DTC would authorize the participants holding the relevant beneficial interest to give or take that action, and those participants would authorize beneficial owners owning through those participants to give or take that action or would otherwise act upon the instructions of beneficial owners owning through them.

DTC is a limited purpose trust company organized under the laws of the State of New York, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities of its participants and to facilitate the clearance and settlement of securities transactions among its participants in those securities through electronic book-entry changes in accounts of the participants, thereby eliminating the need for physical movement of securities certificates. DTC’s participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearance Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others, such as banks, brokers, dealers, trust companies and clearing corporations that clear through or maintain a custodial relationship with a participant, either directly or indirectly. The rules applicable to DTC and its participants are on file with the SEC. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com); the information on or accessible through that website is not incorporated by reference herein and does not form a part of this prospectus. Information on or accessible through our website is not incorporated by reference herein and does not form a part of this prospectus.

#### **Certain Covenants**

The indenture sets forth limited covenants that will apply to each series of debt securities issued under the indenture, unless otherwise specified in the applicable prospectus supplement. Under the indenture, we will agree to:

- pay the principal of, and interest and any premium on, the debt securities when due;
- maintain a place of payment;
- deliver an officer’s certificate to the trustee within 120 days after the end of each fiscal year regarding our review of compliance with our obligations under the indenture;
- maintain our corporate existence; and
- deposit sufficient funds with any paying agent on or before the due date for any payment of principal, interest or premium.

#### **Consolidation, Merger or Asset Sale**

The indenture generally will allow us to consolidate with or merge into any other person, association or entity. The indenture will also allow us to convey, transfer or lease our property and assets as, or substantially as, an entirety to a person, association or entity.

However, we will only consolidate with or merge into any other person, association or entity or convey, transfer or lease our properties and assets as, or substantially as, an entirety according to the terms and conditions of the indenture, including the following requirements:

- (i) we are the surviving person or (ii) the remaining or acquiring person, association or entity is a corporation or partnership organized under the laws of the United States, any state or the District of Columbia and expressly assumes all of our responsibilities and liabilities under the indenture, including the punctual payment of all amounts due on the debt securities and performance of the covenants in the indenture;
- immediately after giving effect to the transaction, no event of default, and no event which, after notice or lapse of time or both, would become an event of default, exists; and
- delivery to the trustee of an officer's certificate and an opinion of counsel, each stating that all related conditions have been satisfied.

The remaining or acquiring person, association or entity will be substituted for us in the indenture with the same effect as if it had been an original party to the indenture. Thereafter, the successor may exercise our rights and powers under the indenture, in our name or in its own name. If we sell or transfer our assets substantially as an entirety, we will be released from all our liabilities and obligations under the indenture and the debt securities. If we lease our assets substantially as an entirety, we will not be released from our obligations under the indenture and the debt securities.

#### **Events of Default**

Unless otherwise specified in the applicable prospectus supplement, each of the following events will be an event of default under the indenture with respect to any series of debt securities issued under the indenture:

- failure to pay any interest on any debt security of the series when due, continued for 30 days;
- failure to pay principal of (or premium, if any, on) any debt security of the series when due;
- failure to perform or comply with any covenant in the indenture or related supplemental indenture, continued for 90 days after written notice as provided in the indenture;
- certain events in bankruptcy, insolvency or reorganization affecting us; and
- any other event of default set forth in the indenture or supplemental indenture relating to the debt securities of that series.

An Event of default for a particular series of debt securities does not necessarily constitute an event of default for any other series of debt securities issued under the indenture. The trustee may withhold notice to the holders of a series of debt securities of any default, except payment defaults of principal or interest or any premium on those debt securities, if it considers such withholding to be in the interest of the holders.

If an event of default occurs and is continuing, then the trustee or the holders of 25% in aggregate principal amount of the outstanding debt securities of that series may declare the entire principal amount of the debt securities of that series to be due and payable immediately; provided, however, that the holders of a majority of the aggregate principal amount of the debt securities of that series may, under certain circumstances, rescind and annul the declaration.

Subject to provisions in the indenture relating to its duties in case an event of default shall have occurred and be continuing, the trustee will not be under an obligation to exercise any of its rights or powers under the indenture at the request, order or direction of any holders of debt securities then outstanding under the indenture, unless the holders shall have offered to the trustee reasonable indemnity. If such reasonable indemnity is provided, the holders of a majority in aggregate principal amount of the outstanding debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any power conferred on the trustee, for any series of debt securities.

### **Defeasance**

Debt securities of a series may be defeased at any time in accordance with their terms and as set forth in the indenture and described briefly below, unless the securities resolutions or supplemental indenture establishing the terms of the series provides otherwise. Any defeasance may terminate all of our obligations (with limited exceptions) with respect to a series of debt securities and the indenture, or Legal Defeasance, or it may terminate only our obligations under any restrictive covenants which may be applicable to a particular series, or Covenant Defeasance.

We may exercise our Legal Defeasance option even though we have also exercised our Covenant Defeasance option. If we exercise the Legal Defeasance option with respect to a series of debt securities, that series may not be accelerated because of an event of default. If we exercise the Covenant Defeasance option, that series of debt securities may not be accelerated by reference to any restrictive covenants which may be applicable to that particular series.

To exercise either defeasance option as to a series of debt securities, we must:

- irrevocably deposit in trust with the trustee or another trustee money or U.S. government obligations in an amount to pay and discharge the principal of and any premium and interest on the debt securities on the stated maturities or redemption dates therefor and any mandatory sinking fund payments;
- deliver a certificate from an independent public accountant or financial advisor expressing its opinion that the payments of principal and interest when due on the deposited U.S. government obligations, without reinvestment, plus any deposited money without investment, will provide cash at the times and in the amounts necessary to pay the principal of and premium and interest when due on all debt securities of the series to maturity or redemption, as the case may be, and any mandatory sinking fund payments; and
- comply with certain other conditions, including that there be no event of default at the time of deposit or event of default due to bankruptcy on or prior to the 90th day after the deposit date. In particular, we must obtain an opinion of tax counsel that the defeasance will not result in recognition of any gain or loss to holders for federal income tax purposes as a result of the deposit.

### **Discharge**

We may discharge all our obligations under the indenture with respect to the notes of any series, other than our obligation to register the transfer of and to exchange notes of that series, when either:

- all outstanding notes of that series (except (i) mutilated, destroyed, lost or stolen notes that have been replaced or paid and notes for whose payment money has been deposited in trust and thereafter repaid to us and (ii) notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by us and thereafter repaid to us or discharged from such trust) have been delivered to the trustee cancelled or for cancellation; or
- all such notes not so delivered for cancellation have either become due and payable or will become due and payable at their stated maturity within one year or are to be called for redemption within one year, and we have deposited with the trustee in trust an amount of cash sufficient to pay the entire indebtedness of such notes, including interest to the stated maturity or applicable redemption date; and
- we have paid all other sums due under the indenture and delivered an officer's certificate and opinion of counsel to the trustee stating that all related conditions have been satisfied.

### **Modification of the Indenture**

Under the indenture, generally we and the trustee may modify our rights and obligations and the rights of the holders with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding debt securities of each series affected by the modification.

No modification of the principal or interest payment terms, no modification reducing the percentage required for any waiver or modifications and no modification impairing the right to institute suit for the enforcement of any payment on debt securities of any series when due, is effective against any holder without its consent.

In addition, we and the trustee may amend the indenture without the consent of any holder of the debt securities to make certain changes, such as:

- curing ambiguities or correcting defects or inconsistencies;
- otherwise adding or changing provisions with respect to matters or questions arising under the indenture relating to a particular series of debt securities that does not adversely affect the rights of any holder in any material respect;
- evidencing the succession of another person to us, and the assumption by that successor of our obligations under the indenture and the debt securities of any series;
- providing for the acceptance of appointment by a successor trustee;
- qualifying the indenture under the Trust Indenture Act (the “TIA”);
- complying with the rules and regulations of any securities exchange or automated quotation system on which debt securities of any series may be listed or traded or any applicable depository;
- to establish the form or terms of any debt securities of any series under the indenture; or
- to provide for the issuance of additional debt securities of any series.

#### **No Individual Liability of Officers, Directors, Employees or Stockholders**

No director, officer, employee or stockholder, as such, of ours or any of our affiliates will have any personal liability in respect of our obligations under the indenture or the debt securities by reason of his, her or its status as such.

#### **Governing Law**

The indenture and all the debt securities will be governed by, and construed in accordance with, the laws of the State of New York.

#### **Regarding the Trustee**

The indenture provides that there may be more than one trustee thereunder, each with respect to one or more series of debt securities. If there are different trustees for different series of debt securities, each trustee will be a trustee of a trust or trusts separate and apart from the trust or trusts administered by any other trustee under the indenture. Unless otherwise indicated in any applicable prospectus supplement, any action permitted to be taken by a trustee may be taken by such trustee only with respect to the one or more series of debt securities for which it is the trustee under the indenture. Any trustee under the indenture may resign or be removed with respect to one or more series of debt securities. All payments of principal of, and premium, if any, and interest on, and all registration, transfer, exchange, authentication and delivery (including authentication and delivery on original issuance of the debt securities) of, the debt securities of a series will be effected by the trustee with respect to that series at an office designated by the trustee.

We may maintain corporate trust relationships in the ordinary course of business with the trustee. The trustee shall have and be subject to all the duties and responsibilities specified with respect to an indenture trustee under the TIA. Subject to the provisions of the TIA, the trustee is under no obligation to exercise any of the powers vested in it by the indenture at the request of any holder of debt securities, unless offered satisfactory indemnity by the holder against the costs, expense and liabilities which might be incurred thereby.

Under the TIA, the indenture is deemed to contain limitations on the right of the trustee, should it become a creditor of our company, to obtain payment of claims in some cases or to realize on certain property received in respect of any such claim as security or otherwise. The trustee may engage in other transactions with us. If it acquires any conflicting interest under the TIA relating to any of its duties with respect to the debt securities, however, it must eliminate the conflict or resign as trustee.

## DESCRIPTION OF WARRANTS

The following description summarizes certain terms and conditions of the warrants that we may offer and sell pursuant to this prospectus. When we offer to sell a particular series of warrants, we will describe the specific terms and conditions of the warrants in a prospectus supplement to this prospectus. We will also indicate in the applicable prospectus supplement whether the general terms and conditions described in this prospectus apply to the series of warrants. The terms and conditions of the warrants may be different in one or more respects from the terms and conditions described below. If so, those differences will be described in the applicable prospectus supplement. We urge you to read the applicable prospectus supplement and any related free writing prospectus, as well as the complete warrant agreements and warrant certificates that contain the terms of the warrants.

We may issue warrants for the purchase of shares of our common stock or preferred stock or of debt securities, or any combination thereof. We may issue warrants independently or together with other securities, and the warrants may be attached to or separate from any offered securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and the investors or a warrant agent. The terms of any warrants offered under a prospectus supplement may differ from the terms described below.

The particular terms of any issue of warrants will be described in the prospectus supplement relating to the issue. Those terms may include:

- the number of shares of common stock or preferred stock issuable upon the exercise of warrants to purchase such shares and the price at which such number of shares may be purchased upon such exercise;
- the designation, stated value and terms (including, without limitation, liquidation, dividend, conversion, and voting rights) of the series of preferred stock issuable upon exercise of warrants to purchase preferred stock;
- the principal amount of debt securities that may be purchased upon exercise of a debt warrant and the exercise price for the warrants, which may be payable in cash, securities or other property;
- the date, if any, on and after which the warrants and the related debt securities, preferred stock or common stock will be separately transferable;
- the terms of any rights to redeem or call the warrants;
- the date on which the right to exercise the warrants will commence and the date on which the right will expire;
- U.S. federal income tax consequences applicable to the warrants; and
- any additional terms of the warrants, including terms, procedures and limitations relating to the exchange, exercise and settlement of the warrants.

Each warrant will entitle its holder to purchase the principal amount of debt securities or the number of shares of common stock or preferred stock at the exercise price set forth in, or calculable as set forth in, the applicable prospectus supplement. Unless we otherwise specify in the applicable prospectus supplement, holders of the warrants may exercise the warrants at any time up to the specified time on the expiration date that we set forth in the applicable prospectus supplement. After the close of business on the expiration date, unexercised warrants will become void.

A holder of warrant certificates may exchange them for new warrant certificates of different denominations, present them for registration of transfer and exercise them at the corporate trust office of the warrant agent or any other office indicated in the applicable prospectus supplement. Until any warrants to purchase debt securities are exercised, the holder of the warrants will not have any rights of holders of the debt securities that can be purchased upon exercise, including any rights to receive payments of principal, premium or interest on the underlying debt securities or to enforce covenants in the applicable indenture. Until any warrants to purchase common stock or preferred stock are exercised, the holders of the warrants

will not have any rights of holders of the underlying common stock or preferred stock, including any rights to receive dividends or payments upon any liquidation, dissolution or winding up on the common stock or preferred stock, if any.

This description and the description in the applicable prospectus supplement and any free writing prospectus of any warrants that we may offer is not and will not necessarily be complete and will be subject, and qualified in its entirety by reference, to the applicable warrant agreements and warrant certificates, which will be filed with the SEC.

## DESCRIPTION OF UNITS

We may issue units consisting of any combination of the other types of securities offered under this prospectus in one or more series. We may evidence each series of units by unit certificates that we will issue under a separate agreement. We may enter into unit agreements with a unit agent. Each unit agent will be a bank or trust company that we select. We will indicate the name and address of any unit agent in the applicable prospectus supplement relating to a particular series of units.

The following description summarizes certain features of the units that we may offer under this prospectus. When we offer to sell any units, we will describe the specific terms and conditions of the units in a prospectus supplement to this prospectus. We urge you to read the applicable prospectus supplement and any related free writing prospectus, as well as the complete unit agreements that contain the terms of the units. If we offer any units, certain terms of that series of units will be described in the applicable prospectus supplement, including, without limitation, the following, as applicable:

- the title of the series of units;
- identification and description of the separate constituent securities comprising the units;
- the price or prices at which the units will be issued;
- the date, if any, on and after which the constituent securities comprising the units will be separately transferable;
- a discussion of certain U.S. federal income tax considerations applicable to the units; and
- any other terms of the units and their constituent securities.

The description in the applicable prospectus supplement and any free writing prospectus of any units that we may offer will not necessarily be complete and will be subject, and qualified in its entirety by reference, to the unit agreement and, if applicable, collateral arrangements and depository arrangements relating to such units, which will be filed with the SEC.

## PLAN OF DISTRIBUTION

We may sell the securities offered by this prospectus in any one or more of the following ways from time to time:

- to or through one or more underwriters, brokers or dealers;
- through agents to investors or the public;
- in short or long transactions;
- through put or call option transactions relating to our common stock;
- directly to agents or other purchasers;
- in “at the market offerings” within the meaning of Rule 415(a)(4) of the Securities Act, to or through a market maker or into an existing trading market, on an exchange or otherwise;
- through a combination of any such methods of sale; or
- through any other method described in the applicable prospectus supplement.

In addition, we may issue the securities as a dividend or distribution or in a subscription rights offering to our existing securityholders. This prospectus may be used in connection with any offering of our securities through any of these methods or other methods described in the applicable prospectus supplement.

We may directly solicit offers to purchase securities, or agents may be designated to solicit such offers. We will, in the prospectus supplement relating to such offering, name any agent that could be viewed as an underwriter under the Securities Act, and describe any commissions that we must pay. Any such agent will be acting on a best efforts basis for the period of its appointment or, if indicated in the applicable prospectus supplement, on a firm commitment basis.

The distribution of the securities may be effected from time to time in one or more transactions:

- at a fixed price, or prices, which may be changed from time to time;
- at market prices prevailing at the time of sale;
- at prices related to such prevailing market prices; or
- at negotiated prices.

The applicable prospectus supplement will set forth the terms of the offering and the method of distribution and will identify any firms acting as underwriters, dealers or agents in connection with the offering, including:

- the terms of the offering;
- the names of any underwriters, dealers or agents;
- the name or names of any managing underwriter or underwriters;
- the purchase price of the securities and the proceeds to us from the sale;
- any over-allotment options under which the underwriters may purchase additional shares of common stock from us;
- any underwriting discounts, concessions, commissions or agency fees and other items constituting compensation to underwriters, dealers or agents;
- any delayed delivery arrangements;
- any public offering price;
- any discounts or concessions allowed or re-allowed or paid by underwriters or dealers to other dealers;

- any securities exchange or market on which the common stock offered in the prospectus supplement may be listed; or
- other facts material to the transaction.

If we use underwriters for a sale of securities, the underwriters will acquire the securities for their own account for resale to the public, either on a firm commitment basis or a best efforts basis. The underwriters may resell the securities in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. Underwriters may offer the securities to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. If an underwriter or underwriters are used in the sale of securities hereunder, an underwriting agreement will be executed with the underwriter or underwriters at the time an agreement for sale is reached. Unless we inform you otherwise in the applicable prospectus supplement, the obligations of the underwriters to purchase the securities will be subject to certain conditions. We may change from time to time any public offering price and any discounts or concessions the underwriters allow or pay to dealers.

During and after an offering through underwriters, the underwriters may purchase and sell the securities in the open market. These transactions may include over-allotment and stabilizing transactions and purchases to cover syndicate short positions created in connection with the offering. The underwriters may also impose a penalty bid, which means that selling concessions allowed to syndicate members or other broker-dealers for the offered securities sold for their account may be reclaimed by the syndicate if the offered securities are repurchased by the syndicate in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the offered securities, which may be higher than the price that might otherwise prevail in the open market. If commenced, the underwriters may discontinue these activities at any time.

Under Rule 15c6-1 of the Exchange Act, trades in the secondary market generally are required to settle in one business day, unless the parties to any such trade expressly agree otherwise or the securities are sold by us to an underwriter in a firm commitment underwritten offering. The applicable prospectus supplement may provide that the original issue date for your securities may be more than two scheduled business days after the trade date for your securities. Accordingly, in such a case, if you wish to trade securities on any date prior to the second business day before the original issue date for your securities, you will be required, by virtue of the fact that your securities initially are expected to settle in more than two scheduled business days after the trade date for your securities, to make alternative settlement arrangements to prevent a failed settlement.

Some or all of the securities that we offer through this prospectus may be new issues of securities with no established trading market. Any underwriters to whom we sell our securities for public offering and sale may make a market in those securities, but they will not be obligated to do so and they may discontinue any market making at any time without notice. Accordingly, we cannot assure you of the liquidity of, or continued trading markets for, any securities that we offer.

If dealers are used for the sale of securities, we, or an underwriter, will sell the securities to them as principals. The dealers may then resell those securities to the public at varying prices determined by the dealers at the time of resale. We will include in the applicable prospectus supplement the names of the dealers and the terms of the transaction.

We may also sell the securities through agents designated from time to time. In the applicable prospectus supplement, we will name any agent involved in the offer or sale of the offered securities, and we will describe any commissions payable to the agent. Unless we inform you otherwise in the applicable prospectus supplement, any agent will agree to use its reasonable best efforts to solicit purchases for the period of its appointment.

We may sell the securities directly in transactions not involving underwriters, dealers or agents.

We may sell the securities directly to institutional investors or others who may be deemed to be underwriters within the meaning of the Securities Act with respect to any resale of those securities. We will describe the terms of any such sales in the prospectus supplement.

Underwriters, dealers and agents that participate in the distribution of the securities may be underwriters as defined in the applicable securities laws and any discounts or commissions they receive from us and any profit on their resale of the securities may be treated as underwriting discounts and commissions under the applicable securities laws. We will identify in the applicable prospectus supplement any underwriters, dealers or agents and will describe their compensation. We may have agreements with the underwriters, dealers and agents to indemnify them against specified civil liabilities, including liabilities under the applicable securities laws.

Underwriters, dealers and agents may engage in transactions with or perform services for us in the ordinary course of their businesses for which they may receive customary fees and reimbursement of expenses.

We may use underwriters with whom we have a material relationship. We will describe the nature of such relationship in the applicable prospectus supplement.

Under the securities laws of some states, the securities offered by this prospectus may be sold in those states only through registered or licensed brokers or dealers.

We may enter into hedging transactions with broker-dealers and the broker-dealers may engage in short sales of the securities in the course of hedging the positions they assume with us, including, without limitation, in connection with distributions of the securities by those broker-dealers. We may enter into option or other transactions with broker-dealers that involve the delivery of the securities offered hereby to the broker-dealers, who may then resell or otherwise transfer those securities. We may also loan or pledge the securities offered hereby to a broker-dealer and the broker-dealer may sell the securities offered hereby so loaned or upon a default may sell or otherwise transfer the pledged securities offered hereby.
